

POSITION AVAILABLE

TITLE: Architectural Student / Graduate

COMPANY: Reddog Architects

DESCRIPTION: We are a young design practice, involved in a wide range of interesting residential, retail, industrial and commercial projects. Currently we are seeking a 5th or 6th year architectural student or recent graduate to join our team.

The person we are looking for should have strong design ability, be able to work in a team environment and possess CADD skills. They will be involved in a wide range of projects, through all design phases.

Please forward your letter of introduction and curriculum vitae via email.
